Dear Richard Oliver,

My name is John Chapman and I am taking the time to write this letter to appeal of our local post office closing down here in Geuda Springs Kansas. I am referring to the docket number 1364712-67051. Several people including myself have had a box here for many years as well as rural route services. I would have to use extra gas to travel a very long distance just to check my mail. Gas prices keep going up and up and my health is not in good shape. I can't afford to travel an extra fifty miles just to check my own mail. Having a local post office box in the Geuda Springs area helps the many elderly people because they don't have to travel a long distance. Please do not shut nor close this post office. Thank you so much for taking the time to read this letter. If you feel that you need to get in touch with me, please feel free to do so by calling me on my cell phone. [REDACTED]

Sincerely,
